## Early Career Psychologists Research and Innovation Poster Session at APA Convention 2019

**Deadline February 3, 2019**

---

The *Early Career Psychologists Research and Innovation Poster Sessions* at APA Convention 2019, hosted by the Committee on Early Career Psychologists (CECP) provides a wonderful opportunity for early career psychologists (ECPs) as well as people examining the concerns of ECPs to present at APA Convention. An ECP is defined as being within the first ten years post-graduation.

Submission of this application form indicates that the first author will present this poster at APA Convention in August 2019 in Chicago, Illinois, USA, if selected for the session; or that a co-author will present if the first author is ultimately unable to present. The session is not assigned a day and time but will be scheduled by May 2019.

### **How to Apply**

Each applicant must be an APA member. To apply, visit <https://tinyurl.com/ECPCConventionPoster2019>.

Submission deadline is **Sunday, February 3rd, 2019** at 11:59pm EST if you are interested in taking part. This is an extended deadline from the standard December deadline for APA Convention submissions. Decisions will be made by the end of February and listed first authors will be notified.

For additional information, please contact Lucia Gutierrez, PhD, Staff Liaison to CECP, Office on Early Career Psychologists ([lgutierrez@apa.org](mailto:lgutierrez@apa.org), 202-682-5132) AND Chrysalis Wright, PhD, CECP Program Chair ([chrysaliswright@gmail.com](mailto:chrysaliswright@gmail.com)).

For more information about CECP and other early career resources, please visit the APA early career website at [www.apa.org/earlycareer](http://www.apa.org/earlycareer).
